

Public Access Information

The City of Maple Grove has beautiful lakes within its boundaries which contribute to a better quality of life for its people. It is important that we are able to utilize these resources for the benefit of all. It is for this reason, regulations and rules are created to assure safety and allow for future use of such amenities by others.

It is important that users have the proper information dealing with the public accesses which exist on Weaver Lake, Eagle Lake, Fish Lake and Rice Lake (carry on boat access located at Elm Creek Special Use Park).

City Public Accesses: Hours are from 6:00 a.m. to 11:00 p.m.

- 1) Elm Creek Public Access to Fish Lake

County Public Accesses: Hours are from 6:00 a.m. to 11:00 p.m.

- 1) Weaver Lake Public Access
- 2) Fish Lake Public Access

DNR Public Accesses: Open for 24 hours use.

- 1) Eagle Lake Public Access

Parking at Accesses: If there are parking spaces available at the boat launch site, and if the driver of a boat/trailer does not have a legal place to park within a reasonable distance of the launch, the boat cannot be launched.

Other Information: Please obey access attendant's directions, if one is present, and follow the rules and regulations posted at each access. City and State ordinances and statutes will be enforced.

Have a safe and enjoyable time while using the lakes!
